Memorandum of Understanding

Introduction

The Colleges of the Alamo Colleges District located in San Antonio, Texas— Northeast Lakeview College (NLC), Northwest Vista College (NVC), Palo Alto College (PAC), St. Philip's College (SPC) and San Antonio College (SAC) hereafter referred to as the Colleges of the Alamo Colleges District, wish to partner with transfer institutions interested in ensuring students take the maximum courses possible prior to transfer with all college-level courses earned counting toward their intended field of study or major at the four-year college or university. This Memorandum of Understanding (MOU) formally recognizes that the colleges of the Alamo Colleges District, NLC, NVC, PAC, SPC, and SAC and Webster University are active educational partners, committed to providing greater educational opportunities and services for students transferring between institutions, in support of the concept of seamless transfer so that transfer students are not required to repeat courses already successfully completed.

NLC, NVC, PAC, SPC, and SAC are each accredited by the Southern Association of Colleges and Schools – Commission on Colleges (SACS-COC). Webster University, located in St. Louis, MO, is accredited by the Higher Learning Commission (HLC).

Each institution, furthermore, is dedicated to serving students from all walks of life, regardless of race, color, sex, pregnancy, religion, creed, national origin (including ancestry), citizenship status, physical or mental disability, age, marital status (including special disabled veteran, Vietnam-era veteran, or recently separated veteran), predisposing genetic characteristics, domestic violence victim status, any other protected category under applicable local, state or federal law, or persons who have opposed discrimination or participated in any complaint process on campus or before a government agency.

Purpose

The purpose of this MOU is to formalize a partnership to assist students to achieve both associate and baccalaureate completion. This agreement enables students in the Colleges of the Alamo Colleges District who transfer to Webster University to have the college-level credits earned apply, toward their intended field of study or major, resulting in degree completion and successful employment. Transfer articulation is with all Colleges of the Alamo Colleges District.

Transfer Plans

In collaboration with the Colleges of the Alamo Colleges District, Webster University will provide appropriate transfer plans to identify all freshman and sophomore level courses required for specific baccalaureate degrees. This will ensure maximum transferability of courses with the intent that courses taken at the Colleges of the Alamo Colleges District will count **and** apply toward degree requirements. The Colleges of the Alamo Colleges District and Webster University will work closely on the courses that will apply toward degree requirements. Where applicable, Webster University will encourage students to complete an Associate degree at one of the Colleges of the Alamo Colleges District before transfer.

Webster University will accept a maximum of 98 hours from a community college if credits are taken prior to the date the degree was awarded. If an associate degree is not completed, Webster will accept up to 64 hours from a community college or from other forms of lower-division credit.

Webster University will notify the Colleges of the Alamo Colleges District annually of any changes in degree requirements.

Bridge to Transfer

By the completion of 30 college-level hours, students at the Colleges of the Alamo Colleges District will declare the college/university to which they intend to transfer. Upon receiving notice of intent to transfer, Webster University and the advising/mentoring teams of the colleges will work together to actively engage the student to support successful completion of the transfer advising guide courses and prepare for transfer.

The Colleges of the Alamo Colleges District and Webster University agree to provide direct links between their institutional Web sites indicating the existence of this Agreement. Official lists of transfer plans (AA, AAT, AS, and AAS) reviewed by both the faculty of the Colleges of the Alamo Colleges District and Webster University will be made available at all institutions.

Core Curriculum

Completion of the Core Curriculum at the Colleges of the Alamo Colleges District will transfer as a block and will satisfy the general education requirements at Webster University, with the exception of Global Keystone Seminar. The Global Keystone Seminar is an upper level undergraduate degree requirement for all students, to be completed at Webster University. If any courses are preferred or required for specific baccalaureate degrees, the courses will be indicated as such in the transfer plans.

Transfer Admissions Requirements

Upon completion of a transfer plan, students at the Colleges of the Alamo Colleges District wishing to transfer to Webster University will go through the Webster University transfer process and therefore must meet all applicable requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, along with any revisions thereof that apply to all students from that institution.

Students with a minimum cumulative GPA of 2.5 and any additional departmental admission requirements entering under the terms of this agreement are guaranteed admission* into the university. Students who have completed the transfer advising guide requirements with the minimum cumulative GPA required for entry into the intended field of study or major plus any other admission requirements will be accepted into the program, subject to capacity availability.

****Exclusions to the Guaranteed Admission***

Webster reserves the right to deny admission or the benefits of this agreement to students who have been suspended or dismissed from any college or university or to those who have been convicted of a felony. Webster may also deny admission of the benefits of this agreement to any applicant who presents other factors in the personal or academic background that the University deems inappropriate, as deemed by the Transfer Admissions Committee.

Admission is not guaranteed for entrance into any specific academic program at WU. Certain degree programs within the Leigh Gerding College of Fine Arts (art, dance, theatre, music) and College of Arts & Sciences (nursing) require additional admission requirements.

Associate in Applied Science (AAS) Degree

The Associate in Applied Science (AAS) Degree represents the attainment of depth of technical competency in identified occupational areas.
