Dr. Veronica Garcia

**Recessional**

*The names of the graduates are being read by Angela Hager, Associate Professor of English, and Dr. Denise Menchaca, Professor of Speech*

*The ceremonial mace is being carried by Cara Sullivan, Student Trustee and President of the Student Government Association.*
On behalf of the Northeast Lakeview College family, I am excited to extend a sincere congratulations to the class of 2023. Today marks the highlight of our academic year and demonstrates the dedication of each of our graduates to reach this milestone.

We gather here today to celebrate student achievement, and I want to take a moment to acknowledge the hard work, dedication, and sacrifice that brought each of you to this point. You have worked tirelessly to get to this point in your educational journey and you should be proud of your accomplishments.

I am honored to be a part of a community of faculty, staff, and administrators that values student success. Guided by our core values, we prepare students for their futures as they learn to become critical thinkers outside of the classroom and an asset to the communities that we serve. I applaud the families and special guests of the graduates joining us to celebrate the achievements of each of these students. Each of you have played a role in their accomplishments.

As our graduates prepare to leave NLC, and become our newest alumni, I challenge them to continue to be their best self. Use the skills they gained at our institution and those experiences they have yet to encounter to empower them to become the leaders I know they can be.

Go confidently in the direction of your dreams
And live the life you have imagined.

-Henry David Thoreau
Candice Allen is a 2023 Northeast Lakeview College graduate earning her Associate of Arts degree with a focus in Political Science. While at NLC, she was engaged inside and outside of the classroom, and excelled academically. With a 3.81 GPA, she completed the Honors Academy Program, and was a member of Phi Theta Kappa Honor Society, and National Society for Leadership & Success. Additionally, she participated in the NLC Pre-Law Society and the Black Student Union.

Battling End-Stage Renal disease, she gave up on her educational dreams 12 years ago. On the anniversary of her 6th year on dialysis, Ms. Allen's passion for returning to school was re-ignited. She was unsure of how she would juggle a full course load and dialysis three times a week, but her faith and determination gave her the strength to make it work. Just prior to the start of the Fall 2021 semester, she received a life-changing call that a match had been found. Instead of starting her journey in the classroom, she was prepped for surgery and began her semester from the ICU.

Determined to make every day count, she pushed through her hardships to now reach the end of part of her educational journey. After NLC, Candice will transfer to Texas A&M University to obtain a Bachelor’s Degree in Political Science. Her ultimate goal is to become a lawyer and practice Corporate Law.
Changing Lives Through Education

Hazel Feldman: NLC 2023 Honorary Degree Recipient

Hazel Feldman embodies the belief that you should never give up on your dreams. Hazel grew up in different times, when women were not encouraged to attain a college degree and when women were restricted to primarily domestic roles within the family and household. But Ms. Feldman didn’t let those cultural restrictions hold her back from her goals and aspirations. After marrying her husband, a World War II veteran and starting a family, she joined the workforce and had a long and productive career as a retail store manager and as an office manager for a psychotherapy office that employed over a dozen therapists. While she enjoyed her career, she didn’t give up on her dream of obtaining a college degree.

In her 90s, Ms. Feldman returned to college in the 10th decade of her life, right before the start of the COVID-19 pandemic. As we transitioned to remote learning, she mastered the art of zoom classes and online class work. Her message to future generations is one of hope and encouragement. She reminds us that it is never too late to pursue our goals and reach for our dreams. Throughout her life, she has been a strong proponent of higher education and the power of learning. Her advocacy has inspired her children, grandchildren, and great-grandchildren to attend college, and between them all, they have achieved over forty-seven degrees and counting. NLC is proud to recognize Ms. Feldman for her Outstanding Public Service to the Community; Service to the State of Texas and awards her an Associate of Arts Honorary Degree.

Cara Sullivan – 2023 NLC Graduate, Student Trustee, Associate of Arts

After completing NLC, Cara plans to pursue a Bachelor’s Degree in Management Information Systems, followed by a Master’s Degree in Data Analytics. A student leader, Cara was NLC Student Government Association President, Co-Chair of the NLC Student Service Fee Advisory Committee, Founder of EMerge Student Alliance, and Alamo Colleges District Student Trustee. She was also a member of several honors and student groups, including Phi Theta Kappa Honor Society, National Society for Leadership & Success, ACCT Student Trustee Advisory Committee, and CCATT Engagement Committee (East Region), among others. “My experiences as the ACD student trustee and NLC student government president have given me the honor of meeting many students and staff as well as learning about the vast array of educational resources and programs available through NLC. I have grown tremendously as a leader and a person.”
Changing Lives Through Education

**Susan Cassidy - 2023 NLC Graduate, Associate of Arts**
A non-traditional student, Susan will be in her late 50’s as she crosses the stage at Commencement. After raising two daughters and being the primary caregiver to her late mother, she returned to school in the hopes of expanding her business. Susan is a member of Phi Theta Kappa Honor Society and National Society for Leadership & Success. Engaged in the community, she is a local community garden volunteer and Alternate Member of the Converse Parks & Recreation Commission. “If you apply yourself and complete your goals, you can accomplish anything. NLC provided the much-needed resources to help me succeed.” Her next step is to pursue a Bachelor’s Degree in Social Work.

**Rebecka Hayes - 2023 NLC Graduate, Associate of Arts**
Rebecka began her journey at Northeast Lakeview College in Fall of 2020. She is a mother and a small business owner. At NLC, her studies focused on Criminal Justice. Her next step is to transfer to the University of Texas at San Antonio (UTSA) to pursue a Bachelor’s Degree in Child Psychology. She enjoys painting, drawing, cooking, and travelling. She hopes to see more of the world in years to come. “NLC taught me to focus on my goals. Its supportive instructors helped me push through despite life’s challenges.”

Northeast Lakeview College confers degrees and certificates and offers recognition for satisfactory completion of work in the following:

- **Associate of Arts**
- **Associate of Science**
- **Associate of Arts in Teaching**
- **Associate of Applied Science in**
  - Cyber Defense
  - Logistics and Supply Chain Management
  - Network Administration Technology
  - Social Media and Digital Marketing

- **Certificates**
  - Cyber Defense, Level 1
  - Logistics Management, Level 1

Congratulations to our students who have completed the requirements to earn a degree or certificate.

Commencement History and Traditions

Academic Regalia - Academic gowns represent a tradition which comes down from the universities of the Middle Ages. In 1895 in the United States, the Intercollegiate Commission prepared a code specifying the design and color of academic regalia. Under this code, the Bachelor’s Gown has long pointed sleeves and is designed to be worn closed. The Master’s Gown has an oblong sleeve, which gives the impression of a short sleeve. The rear part of its oblong shape is square cut, and the front portion has an arc cut away. The Doctor’s Gown has bell-shaped sleeves. Doctor’s and Master’s recipients wear hoods which may represent the color of the college or university from which the degree is received.

Caps are the traditional mortarboard except for the Doctor’s degree, where a four-sided velvet tam is optional. Caps from schools with special color gowns, or from foreign universities, may be more distinctive. Holders of all these degrees wear the tassel on the left. Candidates for graduation wear the tassel on the right.

College Mace - The mace is a traditional symbol of authority. During the Middle Ages the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

AlamoPROMISE - This program covers tuition and required fees for current academic year graduates from participating high schools seeking an academic certificate or associate's degree at one of the five Alamo Colleges. These graduates are designated with a white stole.

Honors - The Honors designation is represented with a bright yellow cord.

Honors Academy - This program encourages NLC students with high scholastic achievement to take on the additional academic rigor of the Honors Academy. Graduates of the Honors Academy will receive Honors Distinction on their transcript.

National Society of Leadership & Success - The Society is the largest leadership society in the nation with a mission of building leaders to make a better world. Students complete a leadership program prior to induction and are represented with a grey designation.

Military Designation - Students and employees that are active duty or retired military are represented by a red, white, and blue cord.

Phi Theta Kappa - Members maintain an overall grade point average of 3.25 or above. These candidates have been inducted and have participated in the dues-paying International Honor Society for two-year college students. Phi Theta Kappa is represented by the gold honor stole.

Student Government Association - Members are the official voice of the student body and link between the student body and the administration of the College to improve the quality and value of both the social and educational experience. SGA members are represented by a blue and white cord.
Alamo Colleges District
Mission, Vision Statement
Empowering our diverse communities for success.
The Alamo Colleges will be the best in the nation in Student Success and Performance Excellence.

Northeast Lakeview College
Mission, Vision, Values, & Belief Statements
Mission: Northeast Lakeview College empowers its students for success by offering educational programs and cultural enrichment opportunities. The College provides quality teaching, measurable learning, and public service that contributes to the earning of associate degrees and certificates to improve its community’s future.

Vision: To be a transformative force in a culturally rich community, empowered by education, to meet the dynamic demands of the future.

Values: Students First
Respect for All
Community-Engaged
Collaboration
Can-Do Spirit
Data-Informed

1. We are inspired by changing lives through learning
2. We develop our students by empowering them to be successful in their educational journey
3. An NLC education is the greatest pathway to social equality and economic mobility for our community
