Message from the President

You have taken the right steps and are now well prepared for the next chapter in your life. Remember, your continued growth is always in your hands.

Northwest Vista College graduates are leaders in their fields and contribute to the success of their families and community. They shine in every employment sector, from business and arts to science and technology. They proudly call themselves Vista Wildcats.

You are now joining a very distinguished group of proud Northwest Vista College alumni who contribute enormously to the success of the San Antonio community and beyond. Be inspired to learn more! Strengthen your leadership skills and make meaningful connections. These will lead you to a lifetime of success!

Sincerely,

Dr. Amy Bosley
President,
Northwest Vista College

Dear Northwest Vista College Graduates,

Congratulations on completing your journey with Vista! Our faculty and staff are excited to see you realize your goals and achieve your academic success. They have watched you grow as a student, challenged you, and guided you on your path to becoming a college graduate and a proud member of the Northwest Vista College community.

This is an important time in your life to celebrate with your family and friends. I encourage you to take the time and reflect on all the great decisions you have made and the sacrifices you endured.
Mark Sanchez's journey after leaving the Army in 2022 epitomizes resilience and determination in the face of uncertainty. As a medic during the challenging times of COVID, he experienced firsthand the demanding nature of military service. Despite his dedication to helping others, Mark realized that his time in the military had reached its conclusion. This marked the beginning of a new chapter in his life, one filled with exploration and the pursuit of his true passions.

In reflecting on his high school years, Mark said he initially lacked a clear roadmap for his post-secondary education. Opting to pursue medicine in the military seemed like a practical choice at the time. Moving to San Antonio after the military provided a fresh start, but Mark felt adrift without a clear path forward. It was during this period of uncertainty that he discovered Northwest Vista College (NVC).

At NVC, Mark's journey toward self-discovery gained momentum. His inherent love for engaging with people led him to choose Psychology as his field of study. Mark humorously recalls how his brief stint in a cubicle-style office job post-military life felt isolating, highlighting the stark contrast between military camaraderie and civilian work environments.

Mark's dedication and active involvement at NVC did not go unnoticed. His commitment to excellence earned him the prestigious Distinguished Graduate Award. He has also been appointed an Alamo Global Ambassador and will travel to Spain this summer where he hopes to learn about issues from cross-cultural perspectives.

Mark's leadership in clubs like Phi Theta Kappa, the Student Government Association, the Psychology Club, and the Alamo Colleges Student District Council has opened doors to new opportunities. These experiences included attending conferences, presenting research, and engaging with peers, which fueled his passion for Psychology.

Looking towards the future, Mark has set his sights on pursuing a doctoral degree in Psychology at St. Mary's University. His goal is to make a significant impact on society by either assisting individuals undergoing stroke treatment or delving into research on neurodegenerative diseases like Alzheimer's.

Mark's advice to fellow students echoes his own transformative experience: "Get involved in some capacity."

He emphasizes the importance of actively participating in college life beyond academics, as it fosters a sense of community and personal growth.

The NVC Distinguished Graduate award is a new designation, sponsored by GM Financial, recognizing student involvement in clubs, holding leadership roles, community involvement and commitment to Northwest Vista College.
