**NOTE:** Courses that are underlined are general academic courses required by the Texas Higher Education Coordinating Board (THECB)

**Required Prior to Graduation:** A Humanities/Creative Arts Elective (Language, Philosophy & Culture [40] Core or Creative Arts [50] core) course must be completed concurrent with or prior to the completion of the veterinary technology curriculum. If this course is not completed prior to the completion of the veterinary technology curriculum, the student will not be awarded a degree, and will not be eligible to take the state and national credentialing exams. **Students are responsible for registering, keeping track of, and successfully completing all general education courses.**

*Equal Education Opportunity: Alamo Colleges District is committed to provide equal educational opportunities for all qualified persons without regard to race, color, sex, pregnancy, religion, creed, national origin (including ancestry), citizenship status, physical or mental disability, age, marital status, sexual orientation, gender, transgender status, gender identity, gender expression, veteran or military status (including special disabled veteran, Vietnam-era veteran, or recently separated veteran), predisposing genetic characteristics, domestic violence victim status, any other protected category under applicable local, state or federal law, or persons who have opposed discrimination or participated in any compliant process on campus or before a government agency.*
