ACCESSING YOUR CANVAS COURSE
Accessing your Canvas Course(s)

1. Start by logging into ACES.

For support and help logging into ACES, please contact our District IT Support Central team.
2. Go to the **My Courses** page.

3. Click on the house icon next to the course name.

   - **You may have to select the correct term from the drop down.**
Your course should open in a new browser tab. More information about Canvas can be found in the Student Quick Guide.

In most cases, the content for the courses will be viewable starting the first day of classes.
