Palo Alto College hosts 9th Annual CORE4 STEM Family Day in partnership with the San Antonio Hispanic Chamber of Commerce

Alamo Colleges District – Palo Alto College hosts the 9th Annual CORE4 STEM Expo Family Day, in partnership with the San Antonio Hispanic Chamber of Commerce, to provide information about career opportunities and pathways in science, technology, engineering, and mathematics (STEM) for families in south San Antonio. The free Family Day event will be held at the Palo Alto College Performing Arts Center and will include breakfast and lunch for all attendees.

Families will attend hands-on STEM workshops and demonstrations to learn about career opportunities and pathways in science, technology, engineering, and mathematics including programs like Cosmetology, Energy Technology, Engineering, and more.

This event is free and open to the public; registration is required. Registration is available online at alamo.edu/pac/CORE4STEM.

Palo Alto College, part of the Alamo Colleges District, is accredited by the Southern Association of Colleges and Schools Commission on Colleges and a recipient of the 2015 Texas Award for Performance Excellence, a finalist for the 2016 Malcolm Baldrige National Quality Award, and a top 10 finalist for the 2019 Aspen Prize for Community College Excellence. With over 10,000 students, Palo Alto College is accredited to offer associate degrees and short-term certificates. The College is located on the south side of San Antonio at 1400 W. Villaret Blvd. at I-410 and Texas Hwy 16 and online at alamo.edu/pac.
