2. At the Login page, will go to Click Here link. This will take you to the Registration page

2. At the Registration Page, enter the required fields
 - On the Institution Name, Select College
 - Then Click Save

How to set your student Examiy Account

4. Click on Login

The screenshot shows the ACCUPLACER registration interface. At the top left, the CollegeBoard and ACCUPLACER logos are visible. Below the header, there is a "Registration" section with a green checkmark icon and the text "User added successfully". A registration form is displayed with the following fields and values:

First Name	Student
Last Name	Student
Enter Email Address for Login ID	Student@email.com
Confirm Email Address	Student@email.com
Institution Name	Northwest Vista College

Below the form, a green message reads: "Thank you. You will receive email confirmation of login credentials." A blue "Login" button is located at the bottom right of the form area.

5. After you saved your registration information, you will be asked to update your password login

- A confirmation email of login Credentials with your temporary password will be sent to you
- Once you receive that email, you will then update your password by clicking on Login

Change Password

The screenshot shows the "Change Password" form. It consists of three input fields, each preceded by a colon and a label:

- Current Password
- New Password
- Confirm New Password

Below the input fields is a dark grey "Save" button.

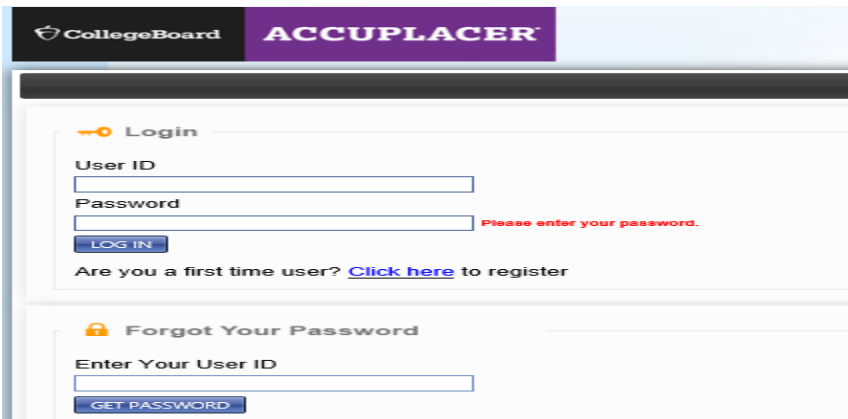

6. Once you login in, you will be asked to update your password

- The confirmation email will have your temporary password
- Then update your password information
- Click (Save)

How to set your student Examity Account

7. You will be then be asked to confirm and Click on OK
