What is the Texas Success Initiative (TSI)?

The Texas Success Initiative is a state mandate, effective August 26, 2013, designed to help students achieve college readiness in the general areas of reading, writing, and mathematics (Texas Administrative Code Chapter 4, Subchapter C). The Texas Success Initiative Assessment (TSIA) is the mandated instrument used to determine college readiness. The TSIA has a version 2.0 effective January 11, 2021 (TSIA2). Alamo Colleges District implements TSI requirements by offering various types of courses or interventions to prepare students for college level course work.

All students not meeting the exemptions defined below (Tables 1 and 2) must take the TSI Assessment as a diagnostic tool to determine reading, writing, and mathematics readiness. Performing your best on the test will affect the amount of time and tuition cost you will have to spend on preparing for many of Alamo Colleges’ programs and courses. Students may retest on TSI Assessment at any time.

Following the TSI Assessment, your goals/program of study/transfer goals will determine what level (if any) of developmental coursework and/or interventions may be required. If you are required to take the TSI Assessment, several options are available for you to review and prepare for the test. Spending a short time reviewing information about the test and the type of questions you can expect may assist you in maximizing your performance on the exam. Please request information about these options.

You will be advised based on the results of your TSI Assessment scores and the courses you plan to take. **You will not be denied admission to the Alamo Colleges based on your TSI Assessment scores.**

### Table 1: TSI Exemptions

</tbody>
</table>
Other Exemptions or Exceptions (not required to take TSI Assessment)

2. A student who has graduated with an associate or baccalaureate degree from an institution of higher education.

3. A student who transfers to an institution from a private or independent institution of higher education or an accredited out-of-state institution of higher education and who has satisfactorily completed college-level coursework as determined by the receiving institution (see Table 2).

4. A student who has previously attended any institution and has been determined to have met readiness standards by that institution.

5. A student who is serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of a reserve component of the armed forces of the United States and has been serving for at least three years preceding enrollment. [Students who meet this exemption are encouraged to take the TSI Assessment for diagnostic purposes to aid in program and course selection during advising.]

6. A student who on or after August 1, 1990, was honorably discharged, retired, or released from active duty as a member of the armed forces of the United States or the Texas National Guard or service as a member of a reserve component of the armed forces of the United States. [Students who meet this exemption are encouraged to take the TSI Assessment for diagnostic purposes to aid in program and course selection during advising.]

7. A student who earns a grade of 75 or above for English Language Arts Reading [ELAR] (Reading & Writing) or Mathematics (Math) College Preparatory Course under Texas Education Code §28.014 is exempt for a period of twenty-four (24) months from the date of high school graduation and must register in respective course content area within one (1) year of enrollment date. This exemption applies only at the institution of higher education that partners with the school district (MOU) in which the student is enrolled. Evidence for completion of CP course may include PEIMS Code on High School Transcripts AND/OR any other Local Design Evidence: CP110100 College Preparatory Course English Language Arts  CP111200 College Preparatory Course Mathematics

Certificate Seekers

8. A student who is seeking a certificate program of one year or less (Level-One certificates, 42 or fewer semester credit hours or the equivalent) will not be required to take any developmental coursework and/or interventions in the corresponding area of exemption, however, may be administered the TSI Assessment for diagnostic purposes only.

Students requiring Developmental Education (DE) coursework:
You will be required to enroll in developmental coursework/corequisites if your TSIA score is below College Ready based on your degree plan and you do not meet a TSI exemption (Table 1), the TSIA Minimum Standards (Table 3), or college ready placement scores based on the TSI Assessment. The basic skills requirements for transfer courses are included with the course description in the catalog. Tables 4 and 5 provide course placement information. Individual colleges math placement is listed: See Individual college placement for math.

*Note: Mixing or combining scores from the PSAT/NMSQT administered prior to October 15, 2015 and the PSAT/NMSQT administered on or after October 15, 2015 is not allowable. Also note that dual credit eligibility scores on the PSAT/NMSQT do not determine a student’s college readiness under Texas Success Initiative (TSI) statute or rules.

**TSI Exemptions and Minimum Standards Apply:**
See Table 1: TSI Exemptions and Table 3: TSIA Minimum Standards for College Readiness

Note: Subject to change based on THECB rules 05-12-2021
