Review and Analysis
For the mid-year review and analysis of the 2022-2023 Unit Strategic Plan, using relevant data, have a collaborative data review with unit colleagues and document current data, and necessary updates, to the 2022-2023 Unit Strategic Plan. Document a narrative of the current Findings/Analysis for each initiative of the Unit Strategic Plan. Review Targets and Action Plans and provide a mid-year status. If necessary, edit existing Action Plans or create Action Plans; at least one initiative is to have an Improvement/Action Plan. For each initiative, complete the Funds questions, and the Funds/Resources Needed for this Initiative fields. NOTE: If requesting Funds/Resources an Action Plan is required to accompany each request.

1. Utilize the 2022-2023 Unit Strategic Plan
   - Use the 2022-2023 Unit Strategic Plan (Word version) initiated prior to this event.
   - If the 2022-2023 Unit Strategic Plan documentation has not been initiated, begin by entering or transferring relevant information for new, and/or continuing initiatives (from the 2021-2022 Unit Strategic Plan submitted for SAC Scores FALL 2022) in SP 1 Strategic Plan 2022-2023 template to initiate the 2022-2023 Unit Strategic Plan documentation.
   
   Access Template: SP 1 Strategic Plan 2022-2023

A table exists, in the template, for each Strategic Priority and Goal of the San Antonio College 2022-2025 Strategic Plan. Each initiative comprising the 2022-2023 Unit Strategic Plan, is to have a table specific to the Strategic Priority and Goal. For example, if the unit strategic plan has two objectives, measures, or targets for Strategic Priority – Student Success, Goal 1 Achieve higher rates of enrollment, persistence, course completion rate, engagement, FTIC graduation rate, and total number of awards (certificates and degrees) across all student groups. The strategic plan will have two tables similar to the Example Partial 2022-2023 Strategic Plan Tables below, for the two Objectives. NOTE: Before an objective, measure, or target is entered in the table, make a copy of the table so you have two tables, one for each of the two Student Success, Goal 1 initiatives.

Save a copy of the Unit Strategic Plan, use the following format for the filename.

\textbf{UnitName\_Strategic\_Plan\_2022-2023\_Mid-Year\_Spring\_2023}

\textbf{For example:} Architecture\_Strategic\_Plan\_2022-2023\_Mid-Year\_Spring\_2023

2. \textbf{Obtain Data Relevant to the 2022-2023 Unit Strategic Plan}

Based on the SPRING 2023 Unit Strategic Plan initiatives, obtain data relevant to the strategic plan and ensure each unit member has access to the data.

3. \textbf{Collaborative Data Review and Reflective Analysis}

Have a unit meeting, ensure each member of the unit is invited. Review relevant data for each Objective-Measure-Target in the strategic plan and have a reflective analysis. Review and analyze the results – What do the results reveal? Discuss the following or similar questions relevant to your unit.

- What do the results mean for the unit?
- What did the unit learn?
- Did the unit meet the target or not?
- Why did the unit reach, or not reach, the target?
- What strength does the data reflect relative to the unit or its operations?
- How can identified strengths be further strengthened?
- In terms of strategies, 
  o Which were successful?
  o Which were not successful?
  o From this point forward, what strategies will be utilized to improve outcomes?
- Based on the results, what area(s) are excelling?
- Based on the results, what area(s) need attention to correct problems/issues?
- What highlights or challenges did the unit encounter?
- Do Action Plans need editing, and/or, do Action Plans need to be developed?
- Are additional resources needed?

In the unit meeting, include a discussion on an Improvement/Action Plan for at least one initiative. The discussion of the Improvement/Action Plan, will be utilized in completing the Strategic Planning Outcomes Analysis.

\textbf{Document Results}

With the exception of the \textit{Strategic Planning Outcomes Analysis}, which is in a separate file, document 2022-2023 Mid-Year results using the Strategic Plan 2022-2023 Template.

With the mid-year data review, analysis, and evaluation completed – proceed to document results for each Measure-Objective-Target (initiative) in the 2022-2023 Unit Strategic Plan. This includes a \textbf{Mid-Year Finding/Analysis} for each Measure-Objective-Target, determining the \textbf{Target status}, indicating the \textbf{Action Plan status} or \textbf{creating/editing Action Plans} (at least one Measure-Objective-Target of the unit strategic plan is to have an Action Plan for improvement). Also complete the \textbf{Funds questions}, and the \textbf{Funds/Resources Needed for this Initiative} fields, for each initiative. \textbf{Note:} *Each request for Funds and/or Resources requires an Action Plan for the associated initiative.
4. Finding(s)/Analysis

Document results of the unit strategic plan data reviewed for each initiative, Priority-Goal-Objective-Measure-Target. Report the results – the actual, or achieved, in comparison to the established target. If data is not available or if work on the initiative has not begun, indicate that status. In addition, include the outcome of the questions discussed in the collaborative review and reflective analysis. This is where the narrative, behind the data, factors in.

Examples of Prior Work – Finding with associated target.

Student Success –
Target: By the end of each semester, 100% of VA students will be assigned to an advisor.
Most students are assigned to advisors during [New Student Orientation], NSO. For those students who are not assigned at NSO, advisors are assigned within 2 working days of receiving reports from the data analyst.

Academic Success –
Target: 5% increase in the use of our study centers comparing Fall 2017 to Fall 2018 data.
Finding (2018-2019) – Target: Not Reported This Cycle
Mid-Year Update: Usage of the BioSpot, ChemSpot and GeoSpot has continued to rise based on [students’] check-ins and tutoring sessions conducted. Fall to fall comparisons show a 22.19% increase in student check-ins in all the "Spots" combined and a 31.19% increase in tutoring sessions. We continue to use strategies to increase the visibility of the student centers in each department.

College Services –
Target: Excel report validating 100% completion of installation of FileVault configuration on all pre-identified laptops.
Finding (2018-2019) – Target: Not Reported This Cycle
Mid-Year Review: 1-25-2019 This year the team will continue the encryption process for MAC Laptops. The project is on target for completion on [8-30-2019].
Tasks pending: Development of procedures for File Vault, Train Technical Staff, Implement and Test solution
5. Target Status and Action Plan(s)

Beginning with the 2020-2021 Plan Year, the following format to convey a Target was recommended.

From Point A (starting point - % or number) to Point B (projected achievement - increase or decrease by % or number), by time frame (if using semester, indicate beginning or end of semester) or indicate a specific date to attain the target.

Select the status, best indicating the Target's 2022-2023 Mid-Year status, and determine the step to follow regarding Improvement/Action Plans. The Target Status and Action Plan Status Guide (blue table below) provides suggestions to follow relative to Action Plans based on the Target Status. For each Target Status, including Not Reported This Cycle - when the Target attainment date is beyond this reporting period, provide a summary/narrative in the Finding/Analysis field. For example, if data for the initiative is not available - indicate the data is not available and when the data is expected to be available. If the work on the initiative has not begun, indicate that status in the Finding/Analysis field and indicate when the work is scheduled to begin. Indicate accomplishments and/or challenges in meeting the initiative. If an Action Plan exists for the initiative reviewed, indicate the status to be followed for the Action Plan. Edit or initiate an Action Plan as appropriate. At least one initiative of the Unit Strategic Plan is to have an Improvement/Action Plan.
