## Connecting your iPhone Device to a Wireless Network

1. On the Home screen, tap the Settings icon.

2. In Settings, tap Wi-Fi.

3. Make sure Wi-Fi is set to On or in the green position.
4. Tap your Network Name (SSID) from the list of available networks.

5. Enter your Alamo College Student Email, then tap Log In.

6. Congratulations! You have successfully joined the Alamo Colleges Wi-Fi.
