If you don't already know me, I am a teaching artist! My primary discipline is music, and my instrument is the cello. I've worked in faculty development since 2016 teaching prekindergarten educators how to incorporate performing arts techniques into the classroom. I am trained through the Wolf Trap Institute for Early Learning Through the Arts, and I have participated in the Artists as Educators Seminar, Mapping the Journey: Planning Effective Residencies for Students developed by the John F. Kennedy Center for the Performing Arts.

I am also adjunct faculty at San Antonio College and teach cello, viola, and had the distinct pleasure of working with the SAC Chamber Ensemble before COVID required us to work online. I started my career with Alamo Colleges at St. Philip's assisting with INRW in the English department, and I have taught cello and music theory at Northwest Vista College.

So enough about me, I want to learn about you! Please stay in touch.
