# MOTIVATION OF EDUCATION

MOE-EDUC 1300

EDUC 1300 is a required course for freshmen, but you don't have to do it alone.

Motivation of Education (MOE) is an EDUC 1300 course focused to support male students starting college. It's a judgement-free zone where you can build on your strengths as you establish a strong foundation for your future.

With MOE, you get more of everything: motivation, opportunity, and enrichment. Get more from your college experience when you start with Motivation of Education.

MOE (EDUC 1300) provides support services to first-time college students, including:

- Faculty and peer mentoring
- Academic support
- Personal development
- A network of peers
- Job placement
- Extracurricular opportunities
- Scholarship opportunities
- And more!
