Dear Dr. Loston:

Thank you for submitting the following substantive change:

Substantive change:

OCIS Closure

Trinity Christian Academy

5401 North Loop, 1604 East

San Antonio, TX 78247

Submission date:

12/16/2020

Intended Implementation date:

8/1/2018

Case ID:

SC012522

St. Philip's College has discontinued its dual credit arrangement at the Trinity Christian Academy off-campus instructional site due to the Academy's closure of its high school program. In fall 2018 the Academy began offering K-8th grades only. Students and parents were informed of the closure by the Trinity Christian Academy administration and counselors through both face-to-face and written communication. Students previously participating in dual credit courses at this site transferred to different area high schools in the Northeast Independent School District, and/or local private/charter schools. If available, the students received dual credit opportunities at their new high schools. Faculty were not adversely impacted by the site's closure and are still employed by St. Philip's College as online instructors.

Please note that when an institution closes a program or instructional site, it has an affirmative obligation to seek closure approval from the Commission at the time the closure decision is made and prior to the cessation of instruction. The closure date is the date students are no longer admitted.
