Tell me a little about yourself.

What is your overall plan (education & job)? Goals? Do you plan to transfer? If so where?

Are you confident about your choice of major? Are you considering another one?

Are you in any St. Philip's clubs or organizations? (Think about networking now.)

What courses are you taking? How do you feel about the load and classes you are taking?
Are you concerned about any of them?

Are you currently employed? Do you think that will have any impact on your studies?

How would you like me to help you move forward?
