In response to the COVID-19 exceptional circumstances, the following multiple measures were created to determine college readiness in lieu of the TSI.

Incoming High School freshmen registering for the Fall 2020 will undergo an individual review by the High School Program (HSP) liaison and director.

Courses requiring TSI, but do not include a college readiness standard, will be subject to individual review. For details, see Review Consideration.

Student may take the math online refresher in lieu of the documentation listed below to determine placement

* ISD counselors will submit the following to college liaison for initial review:

- Standardized scores, any prior attempts on TSI Math or Reading/Writing if available, and a current HS transcript showing courses taken and test scores earned through Fall semester of 2019.
- Recent grade report for Spring 2020 (final or progress report accepted)

If there is evidence of potential student success, HSP Director will determine final decision of student placement

Note: High School Programs' multiple measures are subject to change based on THECB rules: Summer 2020 and 2020-2021 Academic Year
