Quality Enhancement Plan - Ethical Decision-Making

St. Philip’s College is in the process of reaffirmation by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Part of this process is the QEP (Quality Enhancement Plan) to promote student success. Our QEP topic is Ethical Decision-Making.

QEP Focus: Ethical decision-making is the ability to connect values and choices to actions and consequences.

QEP Goal: Students engage in specific measurable academic activities to enhance their ethical decision-making skills.

Ethical Decision Making Process

- Stop and think to determine the facts
- Identify the options
- Consider consequences for yourself and others
- Make an ethical choice and take appropriate action

MESSAGE FROM OUR VICE-PRESIDENT:
Greetings, SPC Tigers – Spring Break is a few weeks away, and May graduation is right around the corner. Stay focused, stay diligent, and stay informed. If you haven’t taken the opportunity to receive feedback from the instructors, I would definitely suggest that you do so. Believe it or not, your instructors appreciate when you seek clarity and guidance. Furthermore, that clarity can be the missing piece of information you need to achieve the grade you deserve. I wish you well.

SACSCOC Accreditation
St. Philip's College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees and certificates.

SACSCOC Frequently Asked Questions (FAQ's)
Although St. Philip's College was denied reaffirmation, St. Philip's College continues to be an accredited institution for the next 12 months. At the end of these 12 months, our institutional reaffirmation accreditation status will be reviewed again by the SACSCOC Board of Trustees.

What is SACSCOC?
SACSCOC is an acronym for Southern Association of Colleges and Universities Commission on Colleges. It is an accreditation body for degree-granting higher education institutions and serves institutions approved by the Commission to award associate, baccalaureate, master’s, or doctoral degrees in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, Virginia, and Latin America and other international sites.

Is St. Philip's College (SPC) still accredited?
Yes, currently St. Philip's College continues to be an accredited institution. SPC has been accredited by SACSCOC since 1951.

Will St. Philip's College shut down like Career Point College, ITT Technical Institute and similar schools?
SPC was not found to be in non-compliance regarding financial stability, like Career Point College and ITT Technical Institute. SPC remains financially stable with strong academic programs, and we will work collaboratively with District representatives to earn the reaffirmation of SPC.

Will I still be able to transfer to/from St. Philip’s College?
Yes, students can still transfer to/from SPC; however the "receiving institution" determines the transferability of all coursework.

Will I still be able to enroll at St. Philip’s College?
Yes, currently SPC continues to be an accredited institution.

Will I still be able to graduate from St. Philip’s College?
Yes, currently St. Philip’s College continues to be an accredited institution. Students are encouraged to meet with their advisor and apply for graduation. St. Philip’s has two annual commencement ceremonies (one in December and one in May every year). For more information, visit https://www.alamo.edu/spc/graduation/

Is my financial aid affected by this warning?
No, the warning does not affect students who receive financial aid at this time. Currently, SPC continues to be an accredited institution.

Are students who are enrolled in dual credit courses or at any of the Early College High Schools at SPC affected by this warning?
SPC is working with the Alamo Community College District to develop a contingency plan in the event that dual credit or Early College High School students are affected by changes in accreditation status in December of 2017.

St. Philip’s College is committed to providing a supportive learning environment and to fostering, safe, healthy relationships among our students. In this effort, Alamo Colleges District initiated AlamoCARES, a prevention, education and support program regarding dating violence, domestic violence, sexual assault and stalking. It is our sincere hope that AlamoCARES will empower you to make well-informed decisions about life issues that affect your college years and beyond.

Within the AlamoCARES site, you will find information on rights granted by Title IX and resources to help educate and assist you when dealing with harassment and sexual violence. Coming soon are events, training and opportunities to bring awareness when dealing with difficult issues and creating discussion opportunities with students. Visit us at http://alamo.edu/spc/alamocares/ for more information.

The Alamo Colleges District encourage individuals to bring forward information/complaints about sexual harassment and sexual violence. Retaliation against any individual who reports or participates in the investigation of alleged violations is strictly forbidden and will be enforced by the College administration.

If you believe you have experienced Sexual Misconduct you may consider the following options:

- Contact Campus Police at (210) 485-0099 (non-emergency) or (210) 485-0911 (emergency)
- Seek medical attention at a hospital or with a physician
- Report the incident at www.alamo.edu/TitleIXCoordinator/
- Contact SPC Counseling Services at (210) 486-2333 (Confidential)
- Contact parents, relatives or close friends for support

ATTENTION STUDENTS! Required Haven Training

Haven is an online survey and course addressing critical life skills. Haven is our way of informing St. Philip’s College students about Title IX standards, reporting violations and resources available. All entering freshmen, former and transfer students are required to complete Part 1 of Haven: Understanding Sexual Assault, by November 1st or a registration hold will be placed on their account.
AlamoCARES (cont’d)

Haven Instructions:
2. Look for the AlamoCARES box on the Student tab and read the important message before accessing the course. Note: an alternative training is available; see your Vice President for Student Success for assistance.
3. Click on the link provided, and complete the confidential pre-survey at the start of the course. The Alamo Colleges District does not receive a copy of your responses.
4. The quiz at the end of the course is required to document your completion, but the score is not recorded and will not impact you in any way. Completion is documented on your student record.

No One has the Right to Harm You or Make YOU feel Uncomfortable.

SUMMARY: St. Philip's College is committed to providing a supportive learning environment and to fostering, safe, healthy relationships among our students. Here are 16 nuggets of information about Title IX.

1. Consent is knowing, freely given, not passive, in clear words or actions, indicates permission to engage in mutually agreed upon sexual activity.

2. Forced consent involves physical violence, threats, intimidation and coercion (consider frequency, intensity, isolation, duration).

3. Incapacity is blackout/partial blackout, no working memory, the inability to understand who, what, when, where, why or how. All facts are considered.

4. Forms of incapacity are alcohol or other drugs (voluntarily or without victim’s knowledge), mental/cognitive impairment, injury or sleep.

5. Remember this rule, no means no, but nothing also means no. Silence and passivity do not equal permission.

6. Remember this rule: To have valid consent, consent must be given prior to or with the sexual activity.

7. Remember this rule: Consent can be withdrawn at any time, as long as that withdrawal is clearly communicated by the person withdrawing it.

8. Evidence of incapacity may be: From a witness or the accused who may know how much the other party has consumed, slurred speech, bloodshot eyes, the smell of alcohol on the breath, vomiting, outrageous or unusual behavior, blackouts or black time, or unconsciousness.

9. Sexual harassment can be a hostile environment, quid pro quo or retaliatory in nature.

10. Sexual harassment can include stalking, bullying and cyber-bullying, relationship violence or hazing.

11. Relationship violence is also called domestic violence, or intimate partner violence.

12. Sexual harassment is unwelcome, sexual or gender based, verbal, written or physical conduct that is severe or an ongoing pattern, unreasonably interferes with education or employment or the ability to participate in or benefit from the college’s educational, social and/or residential program and is based on power differences.

13. 20% of college women and 6% of college men will be victims of attempted or actual sexual assault.
AlamoCARES (cont’d)

14. The accused sexual assailant loses time from class, may be expelled, may impact ability to obtain a medical license or get recommendations, and faces the stigma of "rapist", and possible jail time.

15. 4 in 10 violent crimes against college students are committed by offenders using drugs or alcohol.

16. Survivors of sexual assault often experience falling grades, drop out or fail out, mental health issues (depression, PTSD), alcohol and drug use, or contemplate suicide.

Counseling Services (MLK Campus)

For more information, contact Rosalinda Rivas @ 210-486-2333

SUMMARY: Counseling Services staff can help address problems that interfere with your academic growth in college. See a Counselor in Sutton Learning Center, #102, or call 210/486-2333 for an appointment. Here are 16 nuggets of truth, or information to consider on substance use:

① What’s the problem with drinking? Alcohol affects feelings - sometimes as soon as the first drink. A person can suddenly become angry, depressed or happy. Alcohol can also lower judgment and self-control.
② Treatment has three parts: The person must stop using the drug and receive treatment for withdrawal symptoms if necessary. The person must learn how the drug worked in his or her life. The person must learn how to avoid using the drug again.
③ Good reasons not to drink or use drugs: You avoid embarrassment. (You won’t throw up, say or do something you regret or get arrested.) It’s safer. You lower your risk of injury and death (from car crashes, fights, alcohol poisoning and overdose). You don’t break the law. You do better at school or work.
④ The person who is drinking is not the only person who is at risk.
⑤ Get counseling. Treatment works.
⑥ Suicide: Alcohol, used alone or with other illegal drugs, can increase a person’s risk of suicide. Drinking can make bad feelings last longer or seem worse. People who use alcohol to deal with depression are less likely to get help.
⑦ Murder: Guns, angry feelings and alcohol are a dangerous combination. Two out of three murder victims are killed with guns. Most murders happen when two people get into an argument that turns into a fight.
⑧ Alcohol and angry feelings can lead to physical abuse among families, friends and dating partners. When guns or other weapons are involved, the violence can lead to serious injury or death.
⑨ Eight out of ten rapists know the person they rape. Often the rapist, the victim or both have been drinking.
⑩ Someone who is drinking and feels angry might be more likely to argue, fight or be violent in other ways.
⑪ Call 911 if you think you or someone you know has been given a date rape drug. Stay with the person until help arrives.
⑫ Using drugs can make it hard to learn and remember things. School or work may seem harder. You can even get more colds and flu.
⑬ Refusing a drink is easier if you plan what you will say ahead of time and practice.
⑭ Taking too much of a prescription drug or using it with other drugs or alcohol can cause the drug to interfere with important body functions such as breathing, heart rate and blood pressure.
**Counseling Services (MLK Campus) Cont’d**

15 Binge Drinking: Drinking a lot in a short amount of time, often with the intention of getting drunk.
16 The only thing that can get alcohol out of the system is time – about one hour per drink. Black coffee, a shower, or fresh air won’t sober someone up.
