Quality Enhancement Plan - Ethical Decision-Making

St. Philip's College is in the process of reaffirmation by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Part of this process is the QEP (Quality Enhancement Plan) to promote student success. Our QEP topic is Ethical Decision-Making.

QEP Focus: Ethical decision-making is the ability to connect values and choices to actions and consequences.

QEP Goal: Students engage in specific measurable academic activities to enhance their ethical decision-making skills.

Ethical Decision Making Process
* Stop and think to determine the facts.
* Identify the options.
* Consider consequences for yourself and others.

SACSCOC Accreditation
St. Philip's College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees and certificates.

SACSCOC Frequently Asked Questions (FAQ's)
Although St. Philip's College was denied reaffirmation, St. Philip's College continues to be an accredited institution for the next 12 months. At the end of these 12 months, our institutional reaffirmation accreditation status will be reviewed again by the SACSCOC Board of Trustees.

What is SACSCOC?
SACSCOC is an acronym for Southern Association of Colleges and Universities Commission on Colleges. It is an accreditation body for degree-granting higher education institutions and serves institutions approved by the Commission to award associate, baccalaureate, master’s, or doctoral degrees in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, Virginia, and Latin America and other international sites.

Is St. Philip's College (SPC) still accredited?
Yes, currently St. Philip's College continues to be an accredited institution. SPC has been accredited by SACSCOC since 1951.

Will St. Philip's College shut down like Career Point College, ITT Technical Institute and similar schools?
SPC was not found to be in non-compliance regarding financial stability, like Career Point College and ITT Technical Institute. SPC remains financially stable with strong academic programs, and we will work collaboratively with District representatives to earn the reaffirmation of SPC.

Will I still be able to transfer to/from St. Philip's College?
Yes, students can still transfer to/from SPC; however the “receiving institution” determines the transferability of all coursework.

Will I still be able to enroll at St. Philip's College?
Yes, currently SPC continues to be an accredited institution.

Will I still be able to graduate from St. Philip's College?
Yes, currently St. Philip's College continues to be an accredited institution. Students are encouraged to meet with their advisor and apply for graduation. St. Philip's has two annual commencement ceremonies (one in December and one in May every year). For more information, visit https://www.alamo.edu/spc/graduation/

Is my financial aid affected by this warning?
No, the warning does not affect students who receive financial aid at this time. Currently, SPC continues to be an accredited institution.

Are students who are enrolled in dual credit courses or at any of the Early College High Schools at SPC affected by this warning?
SPC is working with the Alamo Community College District to develop a contingency plan in the event that dual credit or Early College High School students are affected by changes in accreditation status in December of 2017.
For more information, contact Dr. Mordecai Brownlee, Vice President of Student Success at 210-486-2252.

St. Philip's College is committed to providing a supportive learning environment and to fostering safe, healthy relationships among our students. In this effort, Alamo Colleges initiated AlamoCARES, a prevention, education and support program regarding dating violence, domestic violence, sexual assault and stalking. It is our sincere hope that AlamoCARES will empower you to make well-informed decisions about life issues that affect your college years and beyond.

Within the AlamoCARES site, you will find information on rights granted by Title IX and resources to help educate and assist you when dealing with harassment and sexual violence. Coming soon are events, training and opportunities to bring awareness when dealing with difficult issues and creating discussion opportunities with students. Visit us at http://alamo.edu/spc/alamocares/ for more information.

The Alamo Colleges District encourage individuals to bring forward information/complaints about sexual harassment and sexual violence. Retaliation against any individual who reports or participates in the investigation of alleged violations is strictly forbidden and will be enforced by the College administration.

If you believe you have experienced Sexual Misconduct you may consider the following options:
- Contact Campus Police at (210) 485-0099 (non-emergency) or (210) 485-0911 (emergency)
- Seek medical attention at a hospital or with a physician
- Report the incident at www.alamo.edu/TitleIXCoordinator/
- Contact SPC Counseling Services at (210) 486-2333 (for confidential counseling and or referrals)
