St. Philip’s College is committed to providing a supportive learning environment and to fostering, safe, healthy relationships among our students. In this effort, Alamo Colleges District initiated AlamoCARES, a prevention, education and support program regarding dating violence, domestic violence, sexual assault and stalking. It is our sincere hope that AlamoCARES will empower you to make well-informed decisions about life issues that affect your college years and beyond.

Within the AlamoCARES site, you will find information on rights granted by Title IX and resources to help educate and assist you when dealing with harassment and sexual violence. Coming soon are events, training and opportunities to bring awareness when dealing with difficult issues and creating discussion opportunities with students. Visit us at http://alamo.edu/spc/alamocares/ for more information.

The Alamo Colleges District encourage individuals to bring forward information/complaints about sexual harassment and sexual violence. Retaliation against any individual who reports or participates in the investigation of alleged violations is strictly forbidden and will be enforced by the College administration.

If you believe you have experienced Sexual Misconduct you may consider the following options:

- Contact Campus Police at 210-485-0099 (non-emergency) or 210-485-0911 (emergency)
- Seek medical attention at a hospital or with a physician
- Report the incident at www.alamo.edu/TitleIXCoordinator/ (call John Martin 210-486-2746)
- Contact SPC Counseling Services at 210-486-2333 (for confidential counseling and or referrals)
- Contact parents, relatives or close friends for support

H.1.1 Equal Education and Employment Opportunities (Policy) www.alamo.edu/district/policies/ AlamoCARES has additional Title IX information and resources at: www.alamo.edu/spc/AlamoCARES

ATTENTION STUDENTS!

All entering freshmen, former and transfer students are now required to complete “Sexual Assault Prevention for Community Colleges”. Sexual Assault Prevention for Community Colleges is an online survey and course addressing critical life skills. The training is our way of informing St. Philip’s College students about Title IX standards, reporting violations and resources available. All entering freshmen, former and transfer students are required to complete the training before the end of their first semester of classes at St. Philip’s College (to avoid a registration hold being placed on their account).

To access the Sexual Assault Prevention for Community Colleges training:

2. Look for the AlamoCARES box on the Student tab and read the important message before accessing the course. Note: an alternative training is available; see your Vice President for Student Success for assistance.
3. Click on the link provided, and complete the confidential pre-survey at the start of the course. The Alamo Colleges District does not receive a copy of your responses.
4. The quiz at the end of the course is required to document your completion, but the score is not recorded and will not impact you in any way. Completion is documented on your student record.

You Have the Right to Feel Safe.

What should I do if I believe an enforcement action has taken place that is inconsistent with this guidance?

DHS has explained that there are a number of locations where an individual may lodge a complaint with DHS about a particular immigration enforcement action that may have taken place in violation of these or other policies. You may find information about these locations, and information about how to file a complaint, on the DHS website at https://www.dhs.gov/, the CBP website at https://www.cbp.gov/, or ICE website at https://www.ice.gov/.

You may contact ICE Enforcement and Removal Operations (ERO) through the Detention Reporting and Information Line at 888-351-4024 or through the ERO information email address at ERO.INFO@ice.dhs.gov, also available at https://www.ice.gov/webform/ero-contact-form. The Civil Liberties Division of the ICE Office of Diversity and Civil Rights may be contacted at 202-732-0092 or ICE.Civil.Liberties@ice.dhs.gov.

You may contact the CBP Information Center to file a complaint or compliment via phone at 877-227-5511, or submit an email through the website at https://help.cbp.gov.

Where should I report discrimination if I believe it is taking place in my school?

Anyone with information about discrimination occurring in schools, including discrimination on the basis of race, color, or national origin (which may include citizenship or immigration status), may file a complaint by contacting the U.S. Department of Education, Office for Civil Rights via https://www.state.gov/s/ocr/, 800-421-3481 or TDD: 800-877-8339 (for language assistance contact 800-USA-LEARN (800-872-5327)) or by contacting the U.S. Department of Justice, Civil Rights Division, Educational Opportunities Section via https://www.justice.gov/crt/educational-opportunities-section, 877-292-3804, or TTY: 800-514-0383.

Will enforcement actions ever occur at sensitive locations?

DHS has explained that immigration enforcement actions may occur at sensitive locations in limited circumstances, but should generally be avoided. DHS officers and agents from U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) may conduct an enforcement action at a sensitive location only with prior approval from an appropriate supervisory DHS official, or if the enforcement action involves exigent circumstances related to national security, terrorism, or public safety, or where there is imminent risk of destruction of evidence material to an ongoing criminal case.

For more information about these civil rights protections, please see the U.S. Department of Education (ED) and U.S. Department of Justice joint Dear Colleague letter https://www2.ed.gov/about/offices/list/ocr/letters/colleague-201309.html
FACT SHEET FOR FAMILIES AND SCHOOL STAFF: LIMITATIONS ON DHS IMMIGRATION ENFORCEMENT ACTIONS AT SENSITIVE LOCATIONS

All children have a right to a free public education, regardless of their actual or perceived immigration or citizenship status or that of their parents. Education leaders, teachers, students, and families, have asked questions about guidance that was released by the U.S. Department of Homeland Security (DHS) that limits immigration enforcement actions from occurring at schools and other “sensitive locations.” This DHS guidance is at: https://www.dhs.gov/border-security/sensitive-locations-faq. To respond to those questions, the U.S. Department of Education has worked with DHS to prepare this fact sheet, intended to help parents, families, educators, and other school staff understand the DHS guidance.

In general, DHS has explained that immigration enforcement actions may not occur at or in “sensitive locations.” These locations include:

- Schools, such as known and licensed daycares; preschools and other early learning programs; primary schools; secondary schools; post-secondary schools up to and including colleges and universities; as well as scholastic or education-related activities or events.

- School bus stops that are marked and/or known to the officer, during periods when children are present at the stop.

- Places of worship, such as churches, synagogues, mosques, and temples.
