

**STATE OF TEXAS  
OFFICE OF THE GOVERNOR**

**Greetings:**

As Governor of Texas, I am pleased to welcome you all to St. Philip's College Jessica's Project Symposium on addiction.

The fight against drug and alcohol addiction must be fought on all fronts. It demands collaboration and coordination, as well as effective analysis, training, and implementation to make sure chosen approaches are achieving desired results. This event will serve as a great opportunity for both students and professionals to share information, network, and learn about innovative new strategies on how to end the stigma of addiction in our society.

I commend all involved and participating in this event. As we all know, addiction has a destructive impact on the physical and emotional health of the individual and on the well-being of our society as a whole. But together, we can work toward a brighter future for our state and nation.

First Lady Cecilia Abbott joins me in wishing you all an educational event.

Sincerely,

Greg Abbott  
Governor
