MAKING THE GRADE

Academic Standing/Probation/Dismissal

GOOD STANDING
- Good Standing requires that you maintain a minimum overall grade point average (GPA) of 2.0 or better.

ACADEMIC PROBATION
- Academic Probation occurs if your semester cumulative GPA falls below 2.0.

CONTINUED ACADEMIC PROBATION
- Continued Academic Probation occurs if your cumulative GPA falls below 2.0 but your semester GPA is above 2.0.

ACADEMIC DISMISSAL
- Academic Dismissal occurs if you are on Academic Probation or Continued Academic Probation and do not earn a semester term GPA of 2.0 or a cumulative GPA of 2.0. Academic Dismissal requires that you take special action, which is outlined in the academic e-catalog.

Add/Drop/Withdraw

SCHEDULE CHANGES (ADDS & DROPS)
You may find it necessary to change your classes after you complete the registration process. You may add or drop classes through ACES during designated time periods listed in the e-catalog. Keep in mind that changes to your schedule may result in additional charges that you are responsible for paying before the next payment deadline.

DROPS/WITHDRAWALS
The terms “drop” and “withdraw” are used interchangeably. Faculty must drop a student for non-attendance during the first day of class or for lack of academic progress during the term. A student may also initiate a drop to withdraw from a class. Dropped classes may be noted on your transcript and may count towards the six-drop rule (see the e-catalog). There also may be a financial penalty for drops/withdrawals, including financial aid penalties.

STUDENT WITHDRAWAL PROCESS
Before withdrawing from one course, you must meet with the instructor. Before withdrawing from all classes, you should meet with an advisor.

WHERE DO I GO TO WITHDRAW?
MLK Campus - Welcome Center – Records and Registration Office, Room 203
SWC Campus – Student Services Office, Room B-172

Attendance

IMPORTANCE OF CLASS ATTENDANCE
Attendance has a significant impact on performance, and attendance on the first day is essential to your success. Academic success is directly tied to the effort students put into their studies, the degree to which they interact with faculty and peers, and the extent to which they integrate into the campus life.

**EXCESSIVE ABSENCE PROCESS**
Excessive absences can result in an instructor dropping you from a class. If you stop attending class for any reason you should contact the instructor and the Records and Registration office to officially withdraw from the class. Absences may be considered excessive when more than 12.5% of the total contact hours of instruction in a semester, including lecture and lab are missed (See e-catalog)

If you are not dropped from the course or you have reached the Six-Drop Rule (see e-catalog) you will receive the grade earned in that class at the time you stopped attending.

**Completion and Graduation**
Completing the core curriculum and earning an associate’s degree is an important step whether you plan to transfer or enter the workforce. You can make the hours you have earned work for you when you follow a degree/transfer plan that will enable you to get an associate degree. It really will make a difference.

**WHY GRADUATE**
- According to The Community College Research Center, students who complete their associate degree before transferring were 77% more likely to complete a bachelor’s degree.
- Most transferring students have completed core curriculum requirements that will apply to the transferring institution. You are more likely to be accepted to a university by following a transfer plan.
- According to the U.S. Census Bureau (2000) those with an associate’s degree earn an average of $8000 more than they would with a high school diploma alone.
- To be eligible to apply for career advancement 85% of better paying jobs in San Antonio require an associate degree.

Completing an associate degree – and being a part of the commencement ceremony with formal regalia (cap and gown) – gives you a sense of accomplishment and makes you a role model to family, friends and neighbors. They will celebrate your journey and nothing could be better than that!

Not convinced? Visit an Advisor to review your records and discuss your academic progress, pending classes, petitions, equivalencies, etc. Go for it! Apply for graduation.

For Degree/Certificate requirements, refer to the e-catalog or Alamo GPS.

**DEADLINES**
For graduation deadlines, visit [www.alamo.edu/spc/graduation](http://www.alamo.edu/spc/graduation)

**COMMENCEMENT**
Commencement is a celebration of your achievement. All candidates for degrees and certificates are encouraged to participate. You do not need to be enrolled during the semester that the "Apply to Graduate Form" is submitted or during the semester in which the degree is conferred in order to participate.

There is no cost for graduation. The diploma, cap, and gown are provided by the college.

**CONTACT**
For further information, contact Records and Registration at 486-2700.

**Core Completion**

The Associate's Degree equals Core Completion/"The Basics."

**CORE COMPLETION**
Many St. Philip's College students plan to transfer to a college or university and will need the appropriate courses to do so. All associate degree requirements include a General Education Core Curriculum, or "The Basics." Every public institution in the state of Texas requires a Core Curriculum designed to provide a solid foundation for college education and to make transfers between and from Texas institutions of higher education as smooth as possible. The Alamo Colleges Districts Core Curriculum (approximately 42 credit hours) will substitute for the Core Curriculum at any other public college or university in Texas.

**Course Loads**

Students generally may not enroll for more semester credit hours than the number of weeks in a semester/session. If you are enrolled in terms of different lengths at the same time, you may enroll in a maximum number of semester credit hours equal to the number of weeks in the longest term. NOTE: The definition of full- and half-time status for financial aid purposes may be different. For an overview of full-time status, part-time status and course hour maximum, see the e-catalog.

**PETITION FOR COURSE OVERLOADS**
Students requesting to take more than the maximum semester credit hours allowed by the Alamo Colleges Districts, need to request a "Petition for Course Overload" form from the Records Office, located in the Welcome Center, Room 203 and must complete and submit for approval to appropriate Dean for the course which will cause the overload.

**Early Alert – GradesFirst**

Your academic success is important to your instructors. If instructors notice that you are experiencing academic difficulties early in the term, they may send an email to your ACES account that will advise you about ways to address those difficulties. It is very important that you promptly respond to any Early Alert communication. Your success depends on it.

**Final Examinations**

**FINAL EXAM POLICY**
A comprehensive final evaluation, not to exceed three hours in length, shall be given at the end of each course at the official scheduled final exam time. Any exceptions to this requirement must be
approved by the appropriate Dean. Other evaluations are given at the discretion of the instructor.

A student who must be absent from a final evaluation should petition that instructor for permission to postpone the evaluation. A student absent without permission from a final evaluation is graded “0” on the exam.

**FINAL EXAM SCHEDULE**
The Final Exam Schedule changes every term. For final exam dates and times (which differ from normal class meeting dates and times) see the e-catalog.

**Readmission to Class**
If you have been dropped from classes for excessive absences that have resulted in a lack of academic progress, you may be reinstated only at the discretion of the instructor. A reinstatement form must be signed by the instructor and submitted to the Admissions and Records Office.

**Smart Start**
Student absences will be recorded from the first day the class meets, and students who do not attend the first scheduled class or contact the instructor will be dropped. Students should verify that the drop was completed (see the e-catalog).

**Student Development (SDEV) Courses**
All students must complete a student development course designed to help them successfully transition to college and better understand the College’s expectations. Student Development (SDEV) courses offer techniques in life-long learning, creative and critical thinking, time management, test and note taking, studying, career planning and the establishment of lasting relationships. Students who successfully complete SDEV or Learning Frameworks courses have a proven record of higher retention and persistence in college. A variety of student development courses are offered to fit specific student needs. See the e-catalog to see which one applies to you.

**Student Grade Changes and Appeals**
You have a maximum of one year from the end of the term in which the final grade was issued to request a review of the grade or petition for a grade change. Judging the quality of academic performance rests with the instructor assigned to the course. If you believe that the grade is incorrect, you should schedule a conference with the instructor or, if the instructor is not available, the department chair. If you still are not satisfied with the grade, you can file an Academic Grievance within five days of the instructor’s decision. See Academic Grievance Procedure in the “District, State and Federal Regulations” section of the e-catalog.

**Syllabi**

**SYLLABUS**
The syllabus provides an overview of the assignments and activities in a course. It is your guide for what to expect in the course and states your responsibilities as a student in that course. Become familiar with the syllabus and keep up with the assignments to ensure that you earn the highest
grade possible.

**E-SYLLABUS**
Texas colleges and universities are required to make course syllabi available through their websites. In addition, instructors are required to provide curriculum vitae (resumes) that include their educational background and published material so that students may make informed decisions based on instructor credentials.

**Withdrawal for Military Service**

Military students may want their transcripts to reflect that they withdrew due to military reasons or may request that their transcripts show no indication that they were enrolled, and the course(s) will be permanently removed from their transcript. If a student withdraws as a result of being called to active military service, the College, at the student’s option and with proper documentation, shall:

--Grant a student who is eligible under the College’s guidelines a grade in all courses by designating “Withdrawn-Military” (WM) on the transcript, OR
--As determined by the instructor, assign an appropriate final grade or credit to a student who has satisfactorily completed a substantial amount of coursework and demonstrated sufficient mastery of the course material.

St. Philip’s College shall provide a 100% refund with the presentation of military orders.

**Evaluation and Grading System**

**EVALUATION**
Instructors evaluate your coursework based on how well you achieve the objectives of a course. Your instructors, and their syllabi, will explain these objectives, as well as how grades will be assigned.

Permanent grades are recorded at the end of the term and are available through Alamo ACES approximately one week after all finals are completed for the term.

**GRADING SYSTEM**
The Alamo Colleges Districts uses the following grading system: A (excellent/exceptional performance beyond mastery) B (above average/beyond basic mastery) C (average/mastery) D (below average/pass) F (failure) I (incomplete) IP (in-progress) NC (non-credit) W (withdrawal) WS (withdrawal, SB 1231) WX (withdrawal exemption, SB 1231) WM (military withdrawal, SB 1231) CR (non-traditional credit only)
AU (audit)
P (pass)
NR (not recorded)

Military Service withdrawals are recorded as a “WM.” All “WS” or “W” grades have no effect on the GPA, but do negatively impact Satisfactory Academic Progress (SAP) for financial aid eligibility. To simply stop attending a class may result in a grade of “F.”

27 Hour Rule

27 Hour Rule Special Tuition

If you take more than 27 hours of Developmental Education (College Prep) courses, you will be charged an additional rate. However, no additional charges are assessed to non-resident/international students.

Unofficial transcripts are free and can be printed through self-service in ACES. Note that if you have a “transcript hold” on your record you will not be able to view or print your transcript until
the hold is resolved. If this is the case, you will be notified via your St. Philip’s College email of the need to clear the hold.

**Transfer and Services and Articulation Agreements**

Transfer articulation agreements offers students the opportunity to receive an Associates of Arts degree in Liberal Arts upon the completion of all courses listed under the 2+2 plan. This will lock in an agreement with the university of your choice so that the courses you take at St. Philip’s College transfer effortlessly. Every year, many universities will change their degree plans and major requirements, requiring students to take various courses each year. By signing a Joint Admission Agreement with a university, you will be locked into the degree plan and they will honor the courses outlined in the agreement. In addition, since each university has different course requirements, a Transfer Agreement will guarantee that you have completed all of the prerequisites required at the university that you transfer to.

**Transfer Curricula and Resolution of Transfer Disputes**

If you are interested in transferring to St. Philip’s College, all courses must come from an accredited institution. A grade of “C” or better is required for all technical courses and a grade of “D” or better is required for all other academic coursework. Transfer disputes may arise when you are transferring courses to St. Philip’s College from other institutions and/or when St. Philip’s College courses are not accepted for credit by another Texas public institution of higher education. Both institutions involved in the transfer issue will attempt to resolve the transfer dispute in accordance with the Texas Higher Education Coordinating Board rules and/or guidelines. Credit may be transferred to St. Philip’s College from colleges and universities that are accredited. Courses from institutions accredited by agencies recognized by the Texas Higher Education Coordinating Board may be applied by the college toward a certificate or degree only after being reviewed on a case by case basis. The Alamo Colleges Districts Center for Student Information (CSI) is responsible for verifying an institution’s accreditation status and for evaluating the official transcripts.

**Tuition and Fees**

Tuition is a sum of money charged for instruction at a college or university. The cost of tuition is based on enrollment status (number of courses), and residency.

A fee is a payment made for professional advice or services.

1. **Mandatory Fees** - authorized by statute or by the governing board of an institution, and are charged to a student upon enrollment to provide services available to every student. Example of such fees are: library, laboratory fees, course, student activities, etc.
2. **Course Fees** - are mandatory fees required of all students enrolled in a particular course, such as materials for a chemistry lab, or a discretionary fee required of students in a given course, or for students participating in a special activity, such as a parking fee.

Total academic charges are the total of all tuition, mandatory, and course fee charges for a student taking a given number of Schedule Course Hours (SCHs).

**Tuition Third Repeat Fee**

The Alamo Colleges Districts will charge a higher tuition rate to students registering the third (3)
or subsequent time for a course. The State will no longer subsidize a student’s enrollment for the third (3) or subsequent attempt. Students should meet with an advisor to determine if they are repeating a course for the third (3) time.

**27 Hour Rule Special Tuition**

Students taking in excess of 27 hours of Developmental Education (College Prep) courses will be charged an additional rate.

**Tuition Installment Plan**

The installment plan allows students to separate their tuition into three (3) payments, consisting of a down payment and 2 monthly payments. The down payment is due when the contract is signed. This action would need to take place before the first payment deadline of the semester. The Payment Plans are available online through ACES. The Payment Plan is available for all semesters and has preset dates that determine when the students’ next payment is due.

**Tuition Refund Petition**

No refund is possible after the designated deadline, except in extraordinary circumstances and if approved by the Alamo Colleges District.

**Refunds**

Refunds are dependent on students having paid more than the minimum required tuition and having paid their tuition in full. For example:

1. Financial Aid credit - if tuition and fees were lower than financial aid award than a refund will be issued

2. Withdraw/drop from a course(s) - you may be eligible to receive a refund based on the college refund schedule website: http://www.alamo.edu/main.aspx?id=22828

Students who receive a refund are responsible for reimbursements to companies or agencies that have financially assisted them with their tuition.

Refunds for students on the Payment Plan will be applied to the balance due, as stated in the Payment Plan Contract. All academic calendar days are considered for refund purposes, not only the days the student attends class. Refunds for other non-standard length courses (ie. open learning, continuing education) shall be made based on the Refund of Tuition table provided by the Texas Higher Education Coordinating Board (THECB).

**Get Your Refund, Your Way**

Service Learning and Volunteer Opportunities

Service Learning:
Some instructors on campus include a service-learning component as part of their course's curriculum. These courses use the knowledge you learn in the given course and extend it with hands-on experience in the community setting. This means that what students learn in the classroom and through homework/research will be used in actual real-world situations to help with fully understanding the topics discussed in your course. Depending on the instructor, service-learning can be an optional or required part of the course.

Volunteerism:
Civic engagement is an important feature of the college experience. Opportunities to volunteer on and off campus are offered to help students understand how each person can make a difference in their community. Non-profit organizations actively provide students with volunteer opportunities to ensure that students have an outlet if they choose to use their free time volunteering for worthwhile causes. For more information visit website, http://www.alamo.edu/SPC/service-learning/.

MY RIGHTS AND RESPONSIBILITIES

**Academic Fresh Start**

Your old grades don't have to count against you. If you're a Texas resident and apply for admission (or readmission) to Texas public colleges or universities and enroll as an undergraduate, you may be able to begin a new course of study with a clear academic record.

If you have credits for college courses taken ten or more years prior to the planned enrollment date, those credits (and grades) can be ignored for enrollment purposes under the Texas "Academic Fresh Start" Law. This is an all or nothing option. You cannot pick and choose which courses to ignore and which courses to count. This means that courses taken previously cannot be used to fulfill prerequisite or degree requirements and are not used in your new G.P.A. Academic Fresh Start must be declared upon admission to St. Philip's College. Fresh Start Declaration must be requested at the student's home college and will be applied for all Alamo Colleges Districts and not one institution.

**Academic Grievance Policy**

Faculty is responsible for classroom management, teaching strategies, testing, and evaluation of student performance. At academic institutions conflicts may develop within the educational process that requires academic intervention using the Academic Grievance process. When student complaints cannot be resolved through informal interaction with a faculty member or chair/coordinator, students are directed to use the Academic Grievance procedure (see below form and associated flowchart or visit SPC website) by filing a Student Academic Grievance form, available from any division chair. Students are encouraged to use the Academic Grievance process only when there is clear and convincing evidence that a faculty member has treated the student unfairly, arbitrarily, or capriciously. The Academic Grievance procedure allows for unresolved complaints to continue moving from student, to instructor, to division chair, to dean until consensus is reached or final decision affirming or denying the grievance is made by the appropriate dean.

![Flow Chart of Student Academic Grievance Procedure]

**Academic Integrity Appeal Process**

If a faculty member finds that a student is in possible violation of the academic standards of the Student Code of Conduct (see F.4.2.2, “Academic Integrity Violations”), the faculty member shall document the act, completing the Academic Integrity Report Form and attach relevant evidence. The faculty member shall notify the student and explain the procedures and possible penalties.

The faculty member shall then meet with the student, at a time arranged between the student and faculty member, to allow the student to explain the incident. The faculty member subsequently may, at his/her discretion, impose any of the following sanctions:

1. Dismiss the charge.
2. Issue a written warning to the student.
3. Reduce the grade on the assignment or test.
4. Reduce the final grade for the class.

Each of the consequences 2 – 4 shall be accompanied by a completed and signed Academic Integrity Report Form. If the student agrees with the faculty member’s decision, the form shall be submitted electronically to the Chief Student Academic Officer and the paper copy shall be filed in the department office.
**Children on Campus Policy**

Students cannot bring children to classes, labs, or other facilities such as libraries. Minors under the age of 12 must not be left unattended on-campus at any time. Individual instructors may enforce additional restrictions or waivers for their particular classrooms or labs, which will be included in the course syllabus.

**Electronic Devices in the Classroom**

Students are required to silence and store out of sight all electronic communication devices such as pagers, cellular phones, PDAs, etc. when in classrooms, laboratories, libraries, or other areas where such devices would interfere with instruction and learning. Faculty members have the latitude to modify this policy in their syllabi.

**Family Education Rights Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) requires any school that receives federal funds to release or withhold a student’s education records in accordance with its rules. For more information please refer to the academic catalog.

**Firearms**

*Licensed Concealed Campus Carry*

Licensed concealed campus carry of handguns at the Alamo Colleges District is permitted effective August 1, 2017. Locked-vehicle storage of firearms not prohibited by Texas Penal Code §46.05 is permitted.

Concealed carry of a handgun by persons licensed to carry may not be restricted except in locations signed as prohibited areas. License holders carrying on campus intending to access prohibited areas must leave their weapons locked in their vehicles. College lockers are not authorized for storage of handguns by license holders.

*Open Carry of Firearms*

No open carry of firearms is allowed on all property owned, controlled, or leased by the College District, including vehicles operated by the Alamo Colleges District or at any off-campus premises at a District-or College sponsored activity, function or event.

Additional Alamo Colleges District information on firearms is available in the eCatalog/Health and Safety and the Student Code of Conduct and on the Licensed Concealed Campus Carry of Handguns website.

**Non-Academic Grievance Policy**

The Alamo Colleges Districts acknowledge the possibility that incidents may occur outside the academic setting that might result in a student feeling he/she is the object of unjust treatment by a college official. This concern could include misconduct or a condition the student believes to be unfair, inequitable, discriminatory, or a hindrance to the student’s educational progress. The Non-Academic Grievance Policy provides a remedy for students who believe they have been the object of unjust treatment by a St. Philip’s College employee. This policy does not apply to decisions regarding financial aid eligibility, student disciplinary actions, or those pertaining to academic

Students are encouraged to use the Non-Academic Grievance Procedure only where there is clear and convincing evidence that a college official has treated the student unfairly through forms of discrimination, abuse and/or harassment. Prior to initiating a formal grievance, the student should make a reasonable effort to resolve the problem with the person, or supervisor of the program, against whom the complaint is being made. This should occur as soon as possible following the protested circumstance.

All grievances beyond the level of deans and directors will be channeled to the next higher-level administrator. A complete record of the grievance will be forwarded to the next higher-level administrator. After hearing both sides and the record is reviewed, a decision will be rendered affirming or denying the grievance. To affirm a student grievance there must be adequate cause.

In grievances alleging sexual harassment, students are to follow the procedure outlined under Sexual Harassment in this Handbook.

If the complaint is not resolved to the student’s satisfaction, the following Student Non-Academic Grievance procedure can be initiated using the Non-Academic Grievance Form.
