ST. PHILIP’S COLLEGE
A POINT OF PRIDE IN THE COMMUNITY
alamo.edu/spc
Since 1898, St. Philip’s College has proven itself as a student-centered institution with a nurturing environment where our mission is to empower our diverse student population through educational achievement and career readiness. Whether you are a full-time student, have a full-time job, are a working parent, want to make a career change, transfer to a four-year university, or earn an associate degree and/or certificate, we can help you.

At St. Philip’s College, we provide technical-vocational training in a number of disciplines. If your goal includes a four-year university, we provide transferable course work and will guide you through the transition.

According to the 2017 Community College Survey of Student Engagement (CCSSE), student responses demonstrated the College has been effective in key areas:

**2017 CCSSE RESULTS:**
- Providing the support students need to succeed at this college (80% at SPC; 75% national cohort).
- Developing career goals (67% at SPC; 58% national cohort).
- Acquiring job- or work-related knowledge and skills (55% at SPC; 48% national cohort).
- Learning effectively on your own (75% at SPC; 70% national cohort).
- Gaining information about career opportunities (59% at SPC; 51% national cohort).

The AlamoENROLL website at alamo.edu/AlamoENROLL provides information on admissions, TSI, and advising requirements based on student type.

**READY, SET, APPLY!**
To be admitted to the Alamo Colleges District, you must submit an:
1. Apply Texas Application
2. Official transcript
SERVICES AND PROGRAMS

Academic Advising at SPC uses a case management advising model – a system of shared responsibility among students, faculty and advisors. To prepare you for success in the workplace, Academic and Career Advising helps you become a lifelong learner, a productive member of society and develop a strong desire to continue to strive for higher education. Career Exploration and Job Search Services help you set personal goals and define interests and abilities. Information on Joint Admission Agreements, Transfer Scholarships and Transfer Equivalency Guides is also available.

Counseling Services offers a wide range of services including personal crisis counseling, educational planning, study skills techniques, and limited alcohol and substance abuse counseling.

The Department of Student Life supports the academic mission of the college by engaging students in a variety of activities. Their goal is to enhance your college experience by providing co-curricular opportunities that foster camaraderie, a sense of community and personal growth. Connect to the college through: student organizations, campus events/activities, recreation and social development opportunities and leadership.

Disability Services provides reasonable academic support to eligible students. Best practices ensure you have access to the latest information and technologies.

The Department of Institutional Advancement & Grants Development assists you in securing scholarships.

Service Learning Programs provide opportunities for you to learn and develop various skills and abilities by participating in meaningful service projects to help address community needs. In recent years, studies have shown that Service Learning improves academic success and retention.

Student Financial Services assists you in securing financial aid through loans, grants and work-study programs.

The Tutoring & Technology (TNT) Center and multiple instructional labs provide a range of academic support services. These services include free professional and peer tutoring in more than 15 subject areas, including Accounting, Biology, Calculus, Chemistry, English, History, Math and Physics.

Schedule a Tour of our beautiful campuses, visit with advisors, learn about our admission policies, and talk with students, administrators and student support specialists. Walking tours of the Martin Luther King and Southwest Campuses are offered on weekdays, year-round. Reservations are required. Schedule a tour at: alamo.edu/spc/visit-our-campus/

• Web Designer Apprentice II (OSA)
SEE WHAT’S NEW AT SPC!

E. L Turbon Student Center

The Turbon Student Center is home to the Tiger Café, Campus Bookstore, Post Office, and the Department of Student Life. Student Life manages Tiger Lanes (bowling alley), the front desk, student organizations, recreational sports, four pool tables, two ping pong tables, and gaming stations. Stop by today to meet members of the Student Government Association. SGA represents the voice of the student body, and would love to connect with all members of the SPC Tiger Nation.

SEE WHAT’S NEW AT SPC

SOUTHWEST CAMPUS!

The Campus recently underwent a multi-million dollar renovation, which included the student services area, bookstore, manufacturing technology lab and library. The Centers of Excellence in Math and Science, a $23 million project, opened in fall 2010. An upcoming $20 million project will improve welding and auto body facilities.
The National Security Agency and the Department of Homeland Security have reaffirmed St. Philip’s College as a National Center of Academic Excellence in Cyber Defense Two-Year Education. This designation covers academic years 2014 through 2020.

The St. Philip’s College Aircraft Technology program is certified by the Federal Aviation Administration to provide the required training to allow graduates to apply and test for their Airframe Mechanics license, Powerplant Mechanics license, and/or Airframe and Powerplant Mechanics license issued by the FAA.

The St. Philip’s College Automotive Technology has two programs, the GM ASEP Automobile technician training and the Automobile technician training, that are recognized by the National Automotive Technician Education Foundation (NATEF) with Master Accreditation. This status is the highest level of achievement through NATEF.

The St. Philip’s College programs are nationally recognized.
A POINT OF PRIDE WITH OUR MILITARY AND VETERANS

Our on-base locations provide programs and support services to assist students where you are.

Before engaging in any voluntary education activities, students should consult their education service office regarding service-specific requirements, instructions, and/or regulations.

- Lackland Air Force Base: alamo.edu/spc/lackland
- Randolph Air Force Base: alamo.edu/spc/randolph

Good Samaritan Veterans Outreach & Transition Center (GSVOTC)

Our goal is to provide free services to veterans and their families, regardless of their affiliation with St. Philip’s College. We are here to connect you with information and services to ensure a smooth transition to civilian life.

SPC is the first Texas community college to receive the “Purple Heart” designation by the Military Order of the Purple Heart.
ST. PHILIP’S COLLEGE SOUTHWEST CAMPUS

SPC Southwest Campus serves a vital role as the South Texas region’s primary center for technical and industrial training and education. The college prepares you to pursue an industrial or technical career through a certificate or associate degree program. SPC Southwest also provides education and training for employees facing career transitions and provides customized training for employers. SPC is located at 800 Quintana Road, San Antonio, TX 78211. SPC Southwest Campus has expanded programs to connect you with industry partners. Participation in the National Association of Home Builders Student Chapter has increased opportunities for community service at project sites. Increased access to solar power/renewable energy scholarships and industry internships help you get inside your chosen career. For more info, visit alamo.edu/spc/swc or (210) 486-7281.

SPC SOUTHWEST CAMPUS LEADS IN CAREER TECHNICAL AND INDUSTRY TRAINING

- **Construction and Plumbing:** National Center for Construction Education and Research (NCCER) approved curriculum and testing center
- **Power Generation:** North American Board of Energy Practitioners approved testing center (NABCEP)
- **Welding:** American Welding Society (AWS) approved testing center
- **Manufacturing:** Manufacturing Skills Standards Council (MSSC) approved testing center
- **Construction Trades:** Department of Labor (DOL) Apprenticeship programs in collaboration with industry organizations – Associated Builders and Contractors (ABC) of South Texas and Plumbing Heating Cooling Contractors (PHCC)
- **Advanced Manufacturing Technician:** Texas Federation for Advanced Manufacturing Education (TXFAME) approved curriculum – an industry and college collaborative
- **Alamo Academies:** SWC hosts the Aerospace, Manufacturing and Heavy Equipment Academies
St. Philip’s College is among the oldest and most diverse community colleges in the nation. It is a comprehensive multi-campus institution dedicated to meeting the educational needs of San Antonio’s growing community. We are the only college in the U.S. with the distinct dual designation as a Historically Black College and Hispanic Serving Institution. SPC has an enrollment of approximately *11,604 credit students per semester and approximately *3,196 dual credit, early college high school, and academy students annually.

(*Enrollment numbers as of Fall 2016)
